

## Bryan Fuller Press Release

FULLER AND LINCOLN ELECTRIC PRESENT THE CAFE RACER TV VIEWING AND BOOK RELEASE PARTY IN STURGIS!

Wednesday, August 10 from 5pm to 8pm at the Garage Shop Fabricator Product Demonstration Fair between 4th and 5th Streets on Lazelle Street next to the Lincoln Electric booth. Bryan Fuller is having a party for the release of his new book, **FULL-BORE SHEET METAL**. This is the first in a series of custom fabrication "how-to" books. This book is about sheet metal, it is a very readable "Info-taining" book that focuses on the custom sheet metal shaping /fabrication industry. Bryan Fuller is the owner of FULLER HOT RODS and also the host of the SPEED channels "Two Guy's Garage. Mark Prosser teaches welding and fabrication at a Wisconsin technical college. The two of them have come together to create a very informative book that is presented in an amusing and engaging way. The book is packed with useful information for anyone interested in this industry on any level. It was written by shop guys for shop guys.

After the book release around 8:00pm there will be a premier viewing of the CAFÉ RACER TV show on HD Theater located inside the Motorcycle Expo. This year on 4 episodes, Bryan builds the RODAN starting with a one owner 1969 CB 750 Honda that was cut up in front of the original owner! The bike along with several other Fuller Creations will be on site for your viewing pleasure. This event is sponsored by Lincoln Electric and there will be a give-away for a new Lincoln Welder and welding hoods. Don't worry, we'll ship them to you so you won't need to duct tape them to your bike!

Come out and help us celebrate the new book. Food and drinks will be provided until they run out, get there early!!

For more information stop by the Garage Shop Fabricator Product Demonstration Activity Tent located on the Motorcycle Expo lot 4<sup>th</sup> and Lazelle Street, Sturgis.
